PATENT TRADEMARK OFFICE

APPLICATION FOR PATENT TERM ADJUSTMENT UNDER 37 CFR §1.705(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition and request a review of the PATENT TERM ADJUSTMENT in the above-identified application relating to the subject allowed U.S. patent application.

The Patent Office has indicated a patent term adjustment of 250 days. Based on applicant's review of the file, however, it is respectfully submitted that the **correct PTA is 1159 days**, based on the facts set forth below:

1. The Application was filed on December 15, 2000. The first Office Action was not mailed until March 11, 2004. The Office determined that the PTA for this delay to be 755 days. Applicant agrees with this determination.
2. A response to the first Office Action was timely filed on June 3, 2004 ("June 3rd, 2004 Response"). The Office did not issue a final Office Action until October 8,

2004. The Office determined that the PTA for this delay to be 5 days. Applicant agrees with this determination.
3. Applicant filed an Request for Continued Examination (RCE) on January 19, 2005, along with a one-month Request for Extension of Time, expressly requesting reconsideration of the June 3rd, 2004 Response.
 4. The Office incorrectly determined that the RCE of January 19, 2005 as improper.
 5. No notice of improper filing of RCE was mailed to the Applicant.
 6. The Application was found abandoned on August 18, 2005.
 7. No Notice of Abandonment was mailed to the Applicant.
 8. On October 4, 2005, Applicant filed a Petition to Withdraw Holding Of Abandonment Under 37 CFR 1.181(a).
 9. In a Decision issued on June 1, 2006 (the Decision), the Petition was **GRANTED** and the Notice of Abandonment was **VACATED** as **mailed in error**. Specifically, the Decision held that the RCE of January 19, 2005 was properly filed in compliance with 37 CFR 1.111 and the Office should have reconsidered the previously filed June 3rd, 2004 Response.
 10. On July 3, 2006, a non-final rejection was mailed replying to the June 3rd, 2004 Response.
 11. The Office determined that the PTA should be reduced by 509 days based on the abandonment of the Application.
 12. Applicant respectfully disagrees with this determination because the Application was abandoned due to error on the part of the USPTO and not any fault of the Applicant, for the reasons set forth in the Decision.
 13. But for the office's erroneous holding of abandonment in this case, the 509 days of delay would not have occurred.
 14. In any event, under 37 CFR 1.704(c), the adjustment period set forth in § 1.703 may be reduced as a result of “(4) failure to file a petition to withdraw the holding of abandonment or to revive an application within two months from the mailing date of a notice of abandonment ...”

15. It is respectfully submitted that Applicant submitted the Petition to Withdraw Holding Of Abandonment within two (2) months of the notice of Abandonment. Therefore, the abandonment of the Application does not “constitute a failure of the applicant to engage in reasonable efforts to conclude processing or examination of the application”, as set forth in 37 CFR 1.704(c).
16. Accordingly, it is respectfully submitted that the **reduction of the PTA by 509 days is an error.**
17. Instead, the PTA should have been reduced by only 11 days, resulting from the Applicant’s delay in filing the RCE of January 19, 2005 in response to the final Office Action of October 8, 2004.
18. In addition, it is respectfully submitted that **the PTA should be adjusted by an additional 410 days**, under 37 CFR § 1.702(a)(2) and § 1.703(a)(2).
19. Applicant is entitled to a PTA for the delay of 410 days between four months after the RCE of January 19, 2005 was filed and the subsequent Office Action of July 3, 2006. Applicants incurred this delay as a result of the failure of the Office to consider the June 3rd, 2004 Response, as requested expressly in the RCE of January 19, 2005, until July 3, 2006, when the non-final rejection was mailed in reply to the June 3rd, 2004 Response.
20. Accordingly, it is respectfully submitted that due to these delays, Applicant is entitled to an additional PTA of at least 410 days.
21. Based on the foregoing, the Applicant is entitled to a **total PTA of at least 1159 days**, including 755 days (as set forth in Paragraph 1) plus 5 days (as set forth in Paragraph 2) plus 410 days (as set forth in Paragraphs 19 and 20) minus 11 days (as set forth in Paragraph 17).

It is respectfully requested that the PTA for this application be reviewed and adjusted accordingly. This application is not subject to any terminal disclaimers.
